

'Another week at Archie'

As another week ends, I wanted to thank all parents for their continued support. It was particularly nice to meet so many Y7 parents at the welcome evening earlier this week and to listen to your views of Archbishop Sentamu. Thank you.

As the days grow darker please can I ask you to speak to your child about road safety and walking to and from school this link provides <https://capt.org.uk/csw-road-safety/> useful advice.

Any feedback on what other information you would like me to include in the weekly letter, please email the school hello@asa.hslt.academy

Collective work w/c Monday October 17th

Please ask your students their thoughts and reflection on the collective worship which this week will be discussing:

Harvest we could explore harvest traditions in this country and further afield. What relevance does harvest have in an urban setting? Food poverty, how to be resourceful. Could find out about the 'Rooted' project in Hull. The impact of war and the pandemic on Food supplies. The plight of farmers and fair trade. Is there enough food for everyone in the world and how can we be better at sharing?
