Executive Principal: Helen Winn

October 2022

Dear Parent/Carer,

Please find enclosed a copy of your son/daughter's Pre-Public Examination (PPE) timetable, which commences on Friday 11th November 2022. These PPEs are very important as they provide your son/daughter's class teachers with vital information about what they can and cannot do in each subject. Should students be absent from school for any reason, and miss a PPE, they will need to catch up with these at a later date.

Students should familiarise themselves with the "Information for Candidates" documents available on the JCQ website;

www.jcq.org.uk/exams-office/information-for-candidates-documents/

These can also be found by scanning the QR Code to the right.

Pre-Public Examinations will give your son/daughter the experience of what it will be like to sit an exam in examination conditions, as well as how to revise in preparation for an exam. It is very important your son/daughter is well prepared for these by doing plenty of revision. Students should be aiming to do at least an hour's revision each night, spread across 2 to 3 subjects.

I would also like to make you aware that if students "give up" in these pre-public exams and do not make their best possible effort, we will be asking them to retake the exam in their own time. Revision is therefore important so that they can write throughout the whole exam. Only materials studied to date will be included in the exams; there will not be anything they have not seen before.

Finally, Colleges, 6th Forms and Apprenticeship providers ask students to provide the grades from PPEs on applications and often ask us for them, so revision for these is really important.

Please do not hesitate to contact me if you or your son/daughter needs any extra support preparing for these exams.

Yours sincerely,

Mrs T Drinkwater
