“I have come that they may have life and have it to the full” John 10:10

Hope Sentamu Learning Trust is committed to enabling all young people to ‘Thrive and to Live Life to the Full’, in their academic and personal development, through fostering positive and compassionate environments in which to learn and to celebrate pupils who are actively living out our core Christian vision and values.

The Archbishop Sentamu Academy behaviour policy is wholly theologically underpinned by our four core Christian values of Respect, Community, Courage and Wisdom, to develop positive relationships and to build integrity and trust between all members of the school community.

Respect ***(The Golden Rule, Matthew 7:12 - “do unto others as you would have them do unto”)***

All students, staff and the wider community of Archbishop Sentamu Academy are committed to the core Christian value of Respect - to enable strong and positive relationships, where all are included and valued and can discover their unique worth

Community ***(The Parable of the Good Samaritan - Luke 10: 25-37)***

Positive relationships, within and beyond the academy. Serving others in the classroom and beyond, is second nature. Our academy community is committed to serving the local and global community through learning, advocacy, charity and broader engagement.

Courage ***(The Parable of the Lost/Prodigal Son - Luke 15:11-32)***

Where everyone can build perseverance and resilience in a culture where confidence can grow and mistakes become part of the learning process

Wisdom ***(The Parable of the Wise and Foolish Builders - Matthew 7:24-27)***

We want our academy to be a place where thoughtfulness, reflection and acquisition of knowledge is expected by everyone regardless of their starting point

Statement of Intent

The Hope Sentamu Learning Trust is committed to creating an outstanding learning environment. We believe that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of Academy life. The Trust is committed to:

- Creating a culture where behaviour is exceptional.
- Ensuring equality and fair treatment for all.
- Praising and rewarding positive behaviour.
- Challenging unacceptable behaviours.
- Providing a safe inclusive environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Promoting and fostering positive relationships with students and parents.
- Promoting a culture of praise and encouragement in which all pupils can succeed and thrive.
- Promoting self-esteem, self-discipline, proper regard for authority and positive relationships based on the value of mutual respect.
- Ensuring equality and fair treatment for all.
- Promote early intervention.

The Trust acknowledges that behaviour can sometimes be a result of educational needs, mental health concerns, or other needs and vulnerabilities and will address these needs via an individualised graduated response.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the Trust aims to create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The Trust aims to promote resilience as part of a whole-academy approach using the following methods:

- **Culture, ethos and environment** - the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** - the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** - the Academy proactively engages with parents/carers, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing and support our Christian value of Community.

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The Trust's Student Mental Health and Wellbeing Policy and Special Educational Needs and Disability (SEND) Policy outline the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

The academy has three main rules for students;

- We treat each other with respect and kindness
- We respect our environment
- We keep our hands and feet to ourselves

 - Clear outline of the behaviour which is not acceptable

- Refraining from behaving in a way that brings the school/academy into disrepute, including when outside school.

Falling short of these expectations will require students to reflect and accept responsibility for their actions. Students should understand that there may be consequences for choices they make which do not allow themselves or others to succeed and thrive. Students will be challenged and will be held to account for their behaviours. We also expect them to take steps to restore relationships which may have been affected. Students are expected to reflect on their behaviour and make the appropriate change towards meeting our expectations.

4. Behaviour Management

All staff have the authority and responsibility to consistently apply the Trust's Behaviour Policy and the local procedures. This includes rewarding pupils, or where necessary putting sanctions in place for those who fail to adhere to the school/academy rules, this can be both inside and outside of the school.

4.1. Promoting Good Behaviour

The Trust promotes positive behaviours through recognising, praising and rewarding positive behaviours. Encouragement, praise and reward are an essential part of positive behaviour. The school will ensure that:

- They build and maintain positive relationships with pupils, built on respect.
- Pupils' achievements are recognised within, but also beyond the classroom environment.
- Positive learning environments are provided, where children feel safe and confident and are able to flourish.
- All staff will have high expectations in terms of work and behaviour of pupils.
- When pupils meet staff expectations this should be recognised and rewarded.

- Through the consistent application of rewards good behaviour is reinforced and inappropriate behaviour marginalised.
- Staff should approach each lesson in a positive frame of mind.

4.2. Rewards

As a Trust we promote positive behaviour by recognising and promoting good behaviours, attitudes and achievements that meet our values and expectations.

The Headteacher/Principal at each school/academy is responsible for setting the arrangements for recognising positive behaviours, attitudes and achievements, based on the principles outlined in this policy. This is done through considering the age, maturity and understanding of the pupils at the school/academy. These systems are shared with pupils, staff and parents/carers to ensure a consistent and collaborative approach.

Verbal praise and encouragement should be used often and, in every lesson, so that positive behaviour is constantly reinforced.

4.2.1. Criteria for Awarding Positive Points

Positive Merits	Criteria
Praise Merit	Recognition of verbal praise in the classroom e.g. a great answer to a question asked etc., being helpful in or out of a lesson.
Tutor Merit	Additional merits for students who attend every day, arrive on time, are in correct uniform, demonstrate the school values.
Success Merit	Outstanding work over a period of time, Above Target on an assessment, consistently working hard, a one off piece of work which goes above and beyond usual achievement for that student.
Homework Merit	Excellent homework produced.
RESPECT Merit	Excellent attitude, showing honesty, trust, and respect above and beyond normal expectations
Leadership Merit	When a student is referred by their class teacher to the Faculty Leader or Head of House.
Senior Leadership Merit	Referred by Faculty Leader or Head of House
Diamond Ticket	Awarded by each teacher once per half term – This should be reserved for that real WOW moment. This is a one-off award. All staff in school are issued with one Diamond Ticket each half term which is awarded for something extra special. Once staff have decided that a student deserves a Diamond Ticket, the reason and student name is written on the back of the ticket and the student takes it to the Head of School. Awards for these are given during the term by the Head of School.

All positive points will be recorded on Edulink with a clear description of why it was awarded. Students will also receive stamps for instant reward in their planners to reflect the points.

4.2.2. Certificates of Achievement

These are awarded by subjects at the end of term for outstanding effort or standard of work. They will also be awarded for reaching the following number of merits:

Bronze Certificate	75 merits
Silver Certificate	150 merits
Gold Certificate	225 merits
Bronze Badge	300 merits
Silver Badge	450 merits
Gold Badge	600 merits

4.2.3. Values Certificates

Head of Year and Form Tutors award these at the end of term for demonstrating the school values.

4.2.4. Christian Values Certificates

These are awarded by Year Leaders and Form Tutors at the end of term for demonstrating the school's Christian values of Respect, Community, Courage and Wisdom.

The Positive Discipline Policy is based on the belief that the majority of students behave well most of the time.

4.2.5. Rewarding Good Behaviour

The Academy recognises that students should be rewarded for their display of good behaviour. The Academy will use the following rewards for displaying good behaviour:

Stamps collected on the relevant planner page

- Verbal praise
- Certificates
- Postcards home/phone calls home
- Principal awards
- Prizes
- Reward points
- End of term whole-class rewards
- Trips and visits
- Celebration assemblies and evenings

4.3. Punctuality

Being on time to school and to lessons is an important part of positive behaviour. It represents a willingness to learn and respect for others.

Being late to a lesson means that there is lost learning. Lost learning equates to reduced progress and does not allow our pupils to succeed and thrive. This applies to those pupils who are late but also means that those pupils in the class have their learning disrupted as someone else arrives once the lesson has begun. Poor attitude to punctuality affects everyone.

If pupils are not punctual the following consequences will occur:

- Pupils who are late for 5 minutes or more will receive a C3 sanction and complete an after school loss of learning catch up session of 30 minutes.

We will record this on Edulink and inform parents/carers, so they can discuss this with their child and ensure that they understand the importance of punctuality. If the issue persists, we will ask parents to meet with their child's Form Tutor or Year Leader to discuss the situation further. A strong partnership between home and school is the most effective way of ensuring positive approaches to behaviour, conduct and learning in school

4.4. Sanctions

Staff can apply and impose reasonable disciplinary sanctions in response to inappropriate behaviours, in line

with the local school/academy Behaviour Procedures. Reasonable penalties may include: confiscation, retention or disposal of a pupil's property, in agreement with parents/carers (where appropriate), and/or detentions, during break, lunch or after school.

Sanctions will be proportionate to the behaviours displayed, in accordance with the school/academy systems and procedures, and taking into account the pupil's age, SEND needs or any religious requirements. Pupils will be encouraged to reflect on their behaviour

It is hoped that any low-level behaviour, when challenged, stops, as it is preventing others from succeeding and thriving; it disrupts learning and limits lesson delivery. Our expectations are clear: if there is a need to challenge behaviour, the student needs to modify their behaviour. Students may need support to do this, but should they not manage this, below is the overview of the escalation process.

The School/Academy has an escalation process, identified by the stages. This is in place to enable all students to be treated fairly and ensure that all learning is effective. Please appreciate that whilst this is a staged process, some behaviour issues may result in some 'stages' not being considered, depending on the nature of the incident. There may also be exacerbating and mitigating circumstances that need to be considered.

All lessons should start promptly, it is expected that all lessons will start on time. This is the formal start to the lessons and must be followed in all classrooms.

- Pupils should arrive at their lessons on time and enter their classroom as they are greeted by their teacher.
- Pupils should sit in the seating plan drawn up by the teacher.
- Pupils must sit in silence while the register is taken.
- At the end of the lesson all pupils will pack away.
- When instructed by the teacher, all pupils will stand in silence behind their chairs and wait to be dismissed by the teacher.

Mobile Phones:

Should a mobile phone be brought onto the school site it must be switched off (not just on silent) and remain in the student's bag. Phones/electronic devices brought into school remain the sole responsibility of the student. If a mobile phone is seen or heard, then it will be confiscated and passed to Reception. For the first offence, the phone may be collected by the student at the end of the school day. For any further offences, a parent / carer will be contacted to arrange for them to collect the phone during school hours.

Hair

Extreme hairstyles or colour are not acceptable. If colour is being used on hair it must be a natural colour. (Colours such as blue, red, purple etc are not acceptable).

Jewellery

If jewellery is worn it must be limited to a watch and one small pair of plain studs, one in each ear lobe. These must be removed for PE. Multiple body and facial piercings e.g. nose and tongue studs, will not be accepted. If students are wearing additional jewellery, it will be confiscated and a 30-minute detention issued. Pupils can retrieve items from their Head of Year at the end of the school day.

If items have been confiscated on a **second occasion**, a parent / carer will be asked to come into the school to collect the confiscated item/s during school hours.

Make Up

False nails, nail varnish, or eyelashes are not to be worn by any student on any day of the academic year. Discreet make-up may be worn.

Detentions

- Teachers have a legal power to put pupils (under the age of 18) in detention, but will act reasonably and ensure the pupils' safety is not compromised.
- If a lunchtime detention is used, staff will allow reasonable time for the pupil to eat, drink and use the

toilet.

- Consent from parents/carers is not required for detentions, but the school/academy will endeavor to inform parents/carers of the detention.
- There is no requirement for notice to be given to parents/carers.

Seclusion

Pupils can also be placed in seclusion for the following:

- Missing 3 detentions
- Fighting
- Physical aggression towards others
- Bullying
- Racial or sexual harassment or use of homophobic language
- Grossly offensive language

Seclusion will be run in the follow way:

- Coats/belongings will be placed on the floor, under the desk
- The pupils will not communicate with other pupils.
- Pupils will work in silence.
- Pupils will sit at allocated work desks.
- Pupils will have the opportunity to access food from the canteen, this will be brought to them.
- Pupils will be allowed 1 verbal warning per lesson.
- If the day is unsatisfactory, they will repeat their period of isolation.
- If the pupil has an unsatisfactory day or refuses to attend Isolation, this could result in a suspension.

Internal Exclusion

Pupils can also be placed in IE for the following:

- Fighting
- Bullying
- Racial or sexual harassment
- Grossly offensive language
- Failing Isolation

Parents/careers will be informed before the sanction is put in place, by telephone and will be asked to come in for a meeting with a Year Leader.

IE will be run in the following way:

- Coats/belongings will be placed in the lockers provided.
- The pupils will not communicate with other pupils.
- Pupils will work in silence.
- Members of staff that teach the pupil, on that day will provide work for the pupil.
- Pupils will sit at allocated work desks.

15 days	Principal Panel	Pupil Parent/Carer Senior Leadership

Suspension

Fixed term exclusions will be used for pupils who have completed all of the other levels of sanctions and still continue to disrupt the learning of others.

Pupils who have been given a suspension must participate in a reintegration meeting. This will provide an opportunity to discuss what happened, why it happened and next steps, as well as providing the pupil with an opportunity to resolve the issue. The pupil will then return to the school as a fresh start.

It may be that a pupil, depending on the nature of the incident/behaviour displayed, may miss out on other sanctions and move straight to a suspension or permanent exclusion. These incidents may include:

- Threatening or intimidating behaviour towards staff
- Unprovoked serious assault on another pupil
- Possession of or being under the influence of illegal substances
- Possession of a weapon on school premises

The length of the suspension will depend on two factors:

1. The seriousness of the behaviour
2. The number of previous exclusions.

The Welfare Leaders, Year Leaders and the SLT link member dealing with the incident will carry out all investigations. A decision about how to proceed will then be taken. The decision to suspend is with the Headteacher/ Principal, or the member of staff to whom this role has been delegated.

Once this decision has been taken, parents/carers should be contacted as soon as possible. Confirmation in writing should be provided, outlining the details of the incident and the length of the suspension.

Work must be provided for all suspensions of more than one day.

A reintegration meeting should be organised as soon as possible, to take place before the pupil returns to the school. The meeting should be recorded (using the template in the Trust Suspension Policy) reviewing the reasons for the suspension, set targets and/or support that will be put in place. This document then needs to be signed by all present.

Pupils will be given the opportunity to reflect on the incident and encouraged to show respect, compassion and forgiveness, through a discussion about the school's Christian values and the importance of living out these values in all areas of school and home life.

Should a pupil reach a certain number of suspensions, the following actions may also be taken:

Number of Suspension	Action	Attended By
----------------------	--------	-------------

10 days	Principal/Vice-Principal Panel	Pupil Parent/Carer Senior Leadership
15 days	Local Governing Committee Panel	Pupil Parent/Carer Senior Leadership School Governor

If, after a period of at least two weeks, the pupil has not responded positively to the above escalation, the school will escalate the pupil to be on a IBP (Individual Behaviour Plan). This is a 6-week (minimum) plan of monitoring with specific targets to try to enforce good habits. A meeting with parents/carers will start the process and a Senior Leader will monitor the pupil on a daily basis. There is a clear expectation for the pupil to address their behaviour issues during this time. If the IBP is deemed to not be successful then there will be a discussion about a managed move to a different secondary school in the area, or a Local Governing Committee panel interview will take place. A managed move may be considered at earlier stages should there be a decline in behaviour, if that was thought to be beneficial for the pupil, in order for them to have a ‘fresh’ start in a different school. Should the pupil still continue to not meet our expectations, there is likely to be a case for permanent exclusion.

Should a pupil be monitored on an IBP and be successful, they will return to a level of monitoring deemed appropriate for them as an individual. Once a pupil has been monitored at IBP level, should they later not meet the school’s expectations, the school will not go back through this staged process, but instead have the right to consider a managed move or Local Governing Committee panel interview or permanent exclusion. Such a decision will never be taken lightly.

Permanent Exclusion (please refer to the Trust’s Exclusion Policy)

Permanent exclusions from school are a last resort, when all attempts to modify a pupils’ behaviour have failed, the pupil will not conform to school rules and expectations their behaviour is having a serious impact on the learning of others. Prior to this stage, the school should have involved a number of outside agencies.

Permanent exclusions could also be used for serious incidents including (but not limited to):

- Possession of or dealing illegal substances
- Assault on a member of staff
- Bringing a weapon onto school premises.

5. Classroom Management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom, through promotion of the vision and values of the school. Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour.

5.1. Staff will:

- Create and maintain a stimulating environment that encourages pupils to be engaged.
- Display the pupil code of conduct within the classroom.
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting positive behaviour and celebrating pupils actively living out the Values of the school
 - Concluding the day positively and starting the next day afresh
 - Each lesson is a fresh start
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement.

Pupils enter the classroom at the start of the lesson, they will start their connect activity as soon as they enter. At the end of the lesson, pupils will pack everything away, when instructed to do so by the teacher, the pupils will stand in silence behind their chairs and wait to be dismissed.

Pupils will line up outside of the classroom at the start of the lesson, the teacher will then invite them in, ensuring coats have been taken off and that pupils sit in the correct seating plan.

Once seated pupils will prepare for lessons and start on the Do Now activity provided by the teacher.

At the end of the lesson, pupils will pack everything away, when instructed to do so by the teacher, the pupils will stand in silence behind their chairs and wait to be dismissed a row at a time.

6. Pupil Support

- 6.1.** The Trust values all God's Children as unique individuals and that we must ensure that all pupils are given the opportunity to thrive and to flourish in their academic and personal development. The Trust recognises its duty to enable all pupils to flourish and to thrive, through valuing all children. The Trust has a legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.
- 6.2.** The school's/academy's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

Pupils are able to access additional support through their pastoral teams (HOY/SLO/Form Tutor), ELSA, Hull One Offer (extended transition), Pastoral support officers and Reverend Anne Richards.

7. Safeguarding

- 7.1.** The Trust recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, schools/academies will follow their Child Protection and Safeguarding policies and procedures.

8. Sexual Abuse and Discrimination

- 8.1.** The Trust prohibits all forms of sexual abuse and discrimination, including sexual harassment, gender-based bullying and sexual violence. The Trust's procedures for handling peer-on-peer sexual abuse and discrimination are detailed in the Peer-on-Peer Abuse Policy.
- 8.2.** The Trust will work with all schools/academies to ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.
- 8.3.** The response to any incidents of sexual abuse and/or discrimination will be:
 - Proportionate
 - Considered
 - Supportive
 - Decided on a case-by-case basis

- 8.4.** The schools within the Trust have procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:
- Responding to a report
 - Carrying out risk assessments or action plans , where appropriate, to help determine whether to:
 - manage the incident internally
 - refer to early help
 - refer to children's social care (EHASH)
 - report to the Police
 - record incident and action on cpoms
 - Local Authority Designated Officer (LADO)

9. Smoking and Controlled Substances

- 9.1.** In accordance with part 1 of the Health Act 2006, all schools/academies in the Trust are smoke-free environments. Parents/carers, visitors, staff and pupils are instructed not to smoke on school/academy grounds. Pupils are not permitted to bring smoking materials or nicotine products into the school/academy.
- 9.2.** The Trust has a zero-tolerance policy on illegal drugs, legal highs and other controlled substances. Where incidents with pupils related to controlled substances occur, the school/academy will follow the procedures outlined in the local Behaviour Policy/Procedures and Child Protection and Safeguarding Policy.

10. Prohibited Items, Searching Pupils and Confiscation

- 10.1.** Headteachers/Principals and staff authorised by them have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. The prohibited items are:

The model list below was created using the DfE's ['Searching, screening and confiscation'](#) guidance. To search for any items not listed here, staff will require the consent of the pupil being searched.

- Knives or weapons.
 - Alcohol.
 - Illegal drugs.
 - Stolen items.
 - Tobacco and cigarette papers.
 - Fireworks.
 - Pornographic images.
 - Any article that the member of staff reasonably suspects has been, or is likely to be, used: - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.
- 10.2.** All members of staff can use their power to search without consent for any of the items listed above. Staff will follow the provisions outlined in this policy and the local procedures when conducting searches and confiscating items.
- 10.3.** The Headteacher/Principal and other authorised members of staff are permitted to use reasonable force when conducting a search without consent for certain prohibited items, in line with the school's/academy's Positive Handling Policy (where applicable) and/or the local Behaviour Policy/Procedures.

11. Behaviour Off School Premises

- 11.1.** Sanctions may be applied where a pupil has misbehaved off-site when representing the school/ academy. This means misbehaviour when the pupil is:
- Taking part in any school-organised or school-related activity (e.g. school trips)
 - Traveling to or from school
 - Wearing school uniform
 - In any other way identifiable as a pupil of our school/academy
 - Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:
 - Could have repercussions for the orderly running of the school/academy
 - Poses a threat to another pupil or member of the public
 - Could adversely affect the reputation of the school/academy

However, the final decision about the consequence given will be from a member of the Senior Leadership Team (SLT). Teachers may also discipline students for misbehaviour off the Academy premises that, irrespective of the above:

- Could negatively affect the reputation of the Academy.
- Could pose a threat to another student, a member of staff at the Academy, or a member of the public.
- Could disrupt the orderly running of the Academy.

The final decision for the level of consequence will be made by a member of the SLT.

Any bullying witnessed outside of the Academy premises and reported to a member of staff, will be dealt with in accordance with the Academy's Anti-bullying policy.

The Academy will impose the same behaviour sanctions for bullying incidents and non-criminal bad behaviour which is witnessed outside of the Academy premises, as would be imposed for the same behaviour conducted on Academy premises.

In all cases of misbehaviour outside of the Academy premises, teachers will only impose any behaviour sanctions once the student has returned to the Academy premises or when under the supervision of a member of staff.

12. Power To Use Reasonable Force

- 12.1.** Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom.
- 12.2.** Headteachers/Principals and authorised school staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm.

13. Malicious Allegations

- 13.1.** Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 13.2.** Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 13.3.** In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school/academy (in collaboration with the Local Authority Designated Officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry

for help. If so, a referral to children's social care may be appropriate.

- 13.4.** The school/academy will also consider the pastoral needs of staff and pupils accused of misconduct. Please refer to our Child Protection and Safeguarding Policy, the Peer-on-Peer Abuse Policy and the Managing Allegations Against Staff Policy or more information on responding to allegations of abuse against staff or other pupils.

14. Monitoring and Review

This policy is reviewed annually by the Distinctiveness and Personal Development Committee. Any changes made to this policy by the Trust will be communicated to all members of staff. All members of staff are required to familiarise themselves with all processes and procedures outlined in this policy and the local procedures. The next scheduled review date for this policy is listed on the cover page of the policy.
