

'Another week at Archie'

Happy New Year 2023

Welcome back, to what I know will be another great term at Archbishop Sentamu. We have made great strides as a school community with staff, students and parents working together. I continue to value the feedback from parents and would urge you to continue to contact me directly with any concerns you may have hello@asa.hslt.academy.

Although a much shorter week to begin 2023 nonetheless an important week. To support the students learning we have a staggered return:

Thursday January 5th - Y11/12/13 only to return at 8:35am

Friday January 6th - All year groups return at 8:35am

As we continue to drive up expectations for our students please note that all students will now, after arriving at their usual gate (Y7 & Y11 Bilton Grove, Y8,Y9 & Y10 Preston Road), enter the building through the same entrance on a morning. At this entrance there will be numerous staff members there to ensure your child is in the correct uniform and ready to learn. For any students that are not wearing the correct uniform we will have items that can be borrowed from the school until such time in which the correct item can be purchased. Any student that refuses to engage with our high expectations will unfortunately be subject to an appropriate sanction.

Please can you support the school to ensure your child:

False nails and nail varnish are removed before the return to school
No jewellery- except a pair of stud earrings
Mobile phones are turned off and remain out of site all day
No make up

Please can you ensure your child brings a school bag, with a pen and pencil ready to learn

A culture of respect

Our first value is that of respect. Strong and positive relationships, where all are included and valued, and can discover their unique worth

The golden rule- Matthew 7:12 'Treat others as you wish to be treated'

I am committed to ensuring all of our students feel valued and welcomed within ASA, that we celebrate that we are **all different and all equal**. I spoke late last term to a group of students across all year groups about how we can make it easier for students to share concerns they have when they are not shown respect. It is my priority this year to ensure ASA is a school community with respect at the heart of the culture. To work with both students and staff to ensure we have a respectful, safe and harmonious.

Changes to the entrance to the school building

We are always looking to improve the site's safety to keep our students safe. We have tightened security on the gates to the school. We have now added an intercom to the front gates leading to the main entrance. We are requesting that all

visits to the site during the school day 8:40am to 3:00pm are by appointment only. If you wish to make an appointment to the school please ring: 01482 781912

Phone lines

I have listened to many parents describe their frustration in making contact with the school via the telephone. To try and reduce the time it takes to speak to a member of staff at the school we have introduced the following telephone options

Safeguarding	Press 1
Attendance	Press 2
Student Services	Press 3
For Year 7	Press 4
For Year 8	Press 5
For Year 9	Press 6
For Year 10	Press 7
For Year 11	Press 8

Student safeguarding

Online safety

We appreciate that many students may have received new phones or computer games for Christmas gifts. Please can I ask you to read the following link that gives great advice to help you support your child in navigating the internet?

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Healthy choices

Please can you ensure that your child does not bring in any fizzy canned or bottled drinks, any energy drinks into the academy. Neither of these types of drinks are allowed in the academy. We are particularly concerned about the latest craze of buying 'Prime drinks'. The drink has been designed in a way that is not suitable for young people in school.

Road safety

I continue to remain very worried about the students walking to school on the main Preston Road

Please can you ask your child, as they arrive at school in the morning to come straight into school and not wait at the gates, as we know the main road is exceptionally busy and we need to ensure students do not congregate there. As the days continue to grow darker please can I ask you to speak to your child about road safety and walking to and from school this link provides <https://capt.org.uk/csw-road-safety/> useful advice.

Collective Worship w/c Monday January 9th

Please ask your child their thoughts and reflection on the collective worship which this week will be discussing:

The Feast of Epiphany is January 6th when we remember the visit of the Magi (wise men) to see Jesus, as they brought gifts of gold, frankincense and myrrh to worship the Christ Child. This is a key event in the gospel narrative and worthy of note.

A Note from the Principal

I genuinely love writing every single nomination I received and wrote in excess of 800 postcards last term. Keep an eye out for the post and the social media for updates too!

Let's see if I can write more than 800 cards this term!

Please email hello@asa.hslt.academy to nominate your child for a 'Postcard from the Principal' for achievements outside of school you would like to share.

'Tea with the Principal' continues every Friday at 2:30pm. Year Leaders from Y7, Y8, Y9 and Y10 are invited to nominate 2 students from their year group who have achieved above and beyond in an area of school life. This is a wonderful opportunity to talk to the students and also gain their views on how we can improve the school further. The students who achieve the invite are also celebrated on the academy's Facebook page. Please check out the photos, the pride from the students' beams through!

This term I will be introducing Work of Wonder at the school or WOW@ASA. Each week I will be showcasing students' work that has made their teacher 'WOW'

Random Act of Kindness

Thanks for the many nominations that were emailed through last week. Please continue to nominate members of staff who have made a difference to your child.

Please email the name and reason to randomactofkindness@asa.hslt.academy

Y11 Revision opportunities

Passport to the Prom

'Passport to the Prom'. Y11s must take responsibility for keeping their passport safe and it will be updated weekly in tutor time to allow them to track their progress.

The criteria for Prom is as follows:
