

## **‘Another week at Archie’**

06 March 2023

Well done to the Y11 students who have undertaken their first week of PPEs and commenced their second week today. We have introduced ‘Top Tips’ before each PPE to provide last minute reminders of misconceptions and to ensure all the students are clear about the exam structure. Thank you to all parents for your continued support.

### **Student Safeguarding**

## **Social media**

This week in form time we will be reminding all students about the use of social media and sharing of images of others without their permissions:

<https://asa.hslt.academy/wp-content/uploads/2023/03/Social-Media-Sharing-Images-presentation-pastoral.pdf>

Please can I ask that you review the presentation with your child and also review the link shared last week that provides guidance to parents regarding the perils of social media.

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/social-media/>

## **Reminders**

### **Healthy choices**

Please can you ensure that your child does not bring in any fizzy canned or bottled drinks, any energy drinks into the academy, Neither of these types of drinks are allowed in the academy. We are particularly concerned about the latest craze of buying 'Prime drinks'. The drink has been designed in a way that is not suitable for young people in school.

### **Road safety**

I continue to remain very worried about the students walking to school on the main Preston Road

Please can you ask your child, as they arrive at school in the morning to come straight into school and not wait at the gates, as we know the main road is exceptionally busy and we need to ensure students do not congregate there. As the days continue to grow darker please can I ask you to speak to your child about road safety and walking to and from school this link provides <https://capt.org.uk/csw-road-safety/> useful advice.

Any feedback on what other information you would like me to include in the weekly letter, please email the school [hello@asa.hslt.academy](mailto:hello@asa.hslt.academy)

## **Student Voice**

Since September we have prioritised giving our students a voice and we have introduced, and embedded a variety of avenues:

- Formal Student Council made up of representatives from each year group

- Regular safeguarding student voice with the Principal
- Bespoke student voice carried out by various senior leaders in the academy

Last week the PSHE lead met with students to gain their view and understanding on the issues below:

“We have conducted a large amount of vital and valuable student-voice over the past few weeks regarding student views on the important issues of misogyny and sexism. The student voice has consisted of an online survey for every student from Y7-13, and also smaller focus groups for some randomly selected students. We will use all the findings from these to inform our actions going forward relating to any issues of misogyny and sexism at ASA”

### **Collective Worship w/c Monday March 6th**

Please ask your students their thoughts and reflection on the collective worship which this week will be discussing:

*Hate Crime What is Hate Crime and how can we challenge and prevent it?*

Matthew 7:2

*‘Do not judge, or you too will be judged. 2 For in the same way as you judge others, you will be judged, and with the measure you use, it will be measured to you.*

*Why do you look at the speck of sawdust in your brother’s eye and pay no attention to the plank in your own eye? 4 How can you say to your brother, “Let me take the speck out of your eye,” when all the time there is a plank in your own eye? 5 You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother’s eye’*

### **Rewards**

I have written lots more 'Postcards from the Principal' this week. Please check out the academy's Facebook page for the recipients. I am keen to continue celebrating the achievements of your children, our students outside of school.

Please email [hello@asa.hslt.academy](mailto:hello@asa.hslt.academy) to nominate your child for a 'Postcard from the Principal' for achievements outside of school you would like to share.

'Tea with the Principal' continues every Friday at 2:30pm. Year Leaders from Y7, Y8, Y9 and Y10 are invited to nominate 2 students from their year group who have achieved above and beyond in an area of school life. This is a wonderful opportunity to talk to the students and also gain their views on how we can improve the school further. The students who achieve the invite are also celebrated on the academy's Facebook page. Please check out the photos, the pride from the students beams through!

#### **Passport to the Prom**

There were some parental concerns raised on social media about the attendance target of 95%, please can I make clear, as we did to the Y11 students and parents who attended the Passport to the Prom Evening in December. All genuine medical absences will be taken into account.

'Passport to the Prom'. Y11s must take responsibility for keeping their passport safe and it will be updated weekly in tutor time to allow them to track their progress.

The criteria for Prom is as follows:

- 95% Attendance between January and May 15th (date of 1st core GCSE exam)
- Minimum of 500 reward points
- 300 GCSE Pods viewed
- 50 breakfast or after school revision sessions attended (this works out to roughly 3 per week)

ASA staff are so supportive of the Y11 progress and are offering many opportunities. If your child is in Y11 please encourage their attendance

## **An important message for Y8 parents**

Dear Parent/Guardian

*The HPV vaccine has been offered to all school year 8 girls for over ten years. With effect from September 2019 the vaccine is now being offered to year 8 boys. The evidence shows that the HPV vaccine helps to protect both boys and girls from HPV related cancers. To get the best protection, it is important that your son/daughter receive both doses, scheduled 6 to 12 months apart. Please discuss this with your son/daughter, then complete the electronic consent form using the link below. if you wish to read more information regarding the HPV vaccination, please click on the link below and click on the FAQ button.*

<https://www.nhs.uk/HPV/information?ld=135598&Type=HPV>

*The vaccinations will take place at your child's school on: Tuesday 21st March 2023. The link will close midnight on Sunday 13<sup>th</sup> March 2023. If your child has already had the vaccine, please disregard this message. If you have any problems accessing the link, please check your firewall protection on your computer and if that doesn't help, contact us to provide consent verbally, please telephone 0333 358 3397 option 2 (1, 2)".*
