

‘Another week at Archie’

24th April 2023

Mrs Batley invited me to the Hospitality and Catering Y10 lesson this week where the Navy had come in to work with the students on their catering skills. The Navy also used this as an opportunity to share with the students what careers there are in the navy for students who enjoy catering!

Last week Mrs Hossack gave an overview to all year groups about treating each other with respect and gave an overview of how to use the new online anonymous ‘Whisper’ . Please can you talk to your child about this and as previous newsletters the information is shared below.

We also had a special visitor in school all last week. Maverick the Golden Retriever. Maverick came to school to support the students with their Animal Care GCSE. Huge thanks to Mr Dinsdale for bringing Maverick to school.

Student Safeguarding

New updates

Child sexual exploitation (CSE)

CSE can happen in person or online. An abuser will gain a child's trust or control them through violence or blackmail before moving onto sexually abusing them. This can happen in a short period of time.

When a child is sexually exploited online they might be persuaded or forced to:

- send or post sexually explicit images of themselves
- film or stream sexual activities
- have sexual conversations.

Once an abuser has images, video or copies of conversations, they might use threats and blackmail to force a young person to take part in other sexual activity. They may also share the images and videos with others or circulate them online.

Gangs use sexual exploitation:

to exert power and control
for initiation
to use sexual violence as a weapon.

Children or young people might be invited to parties or gatherings with others their own age or adults and given drugs and alcohol. They may be assaulted and sexually abused by one person or multiple perpetrators. The sexual assaults and abuse can be violent, humiliating and degrading.

The link below gives more information and particularly, signs that a child may be a victim of CSE

Safeguarding reminders

Building a community of respect

We have done much work since September to educate our students about what bullying is.

This week in assemblies we will be reinforcing the messages below and also highlighting to the students how to report concerns anonymously. Using the 'Whisper' site as shared below.

Please can you discuss below with your child and encourage, if needed, to log concerns on 'Whisper'

Bullying can take different forms, It could include:

physical bullying: hitting, slapping or pushing someone

verbal bullying: name calling, gossiping or threatening someone

non-verbal abuse: hand signs or text messages

emotional abuse: threatening, intimidating or humiliating someone

exclusion: ignoring or isolating someone

undermining, constant criticism or spreading rumours

controlling or manipulating someone

making silent, hoax or abusive calls

The following types of bullying are also hate crime:

racial, sexual, transphobic or homophobic bullying

bullying someone because they have a disability.

No single sign will indicate for certain that your child's being bullied, but watch out for:

belongings getting 'lost' or damaged

physical injuries, such as unexplained bruises

being afraid to go to school, being mysteriously 'ill' each morning, or skipping school

not doing as well at school

asking for, or stealing, money (to give to whoever's bullying them)

being nervous, losing confidence, or becoming distressed and withdrawn

problems with eating or sleeping

bullying others.

Reporting a Concern

The new safeguarding link is proving very popular with both students and parents. The information we have been contacted with has ensured we can add another layer of safety for your child- thank you

If you have a concern about a student or anyone else in our school community please report it. Mrs Holmes-Carne is the Designated Safeguarding Lead and Mrs Drinkall is our Deputy Designated Safeguarding Lead. These colleagues are available by way of the main school telephone number on 01482 781912 or via their email:

Mrs Holmes-Carne: s.holmes-carne@asa.hslt.academy

Mrs Drinkall: a.drinkall@asa.hslt.academy

We have launched to staff and students an online mechanism to report concerns:

If you'd like to report a safeguarding issue (including bullying) or have concerns related to mental health, you can also do so by visiting the following web link:

<https://swgfl.org.uk/whisper/asa1/>

Anything you write will be sent anonymously. Or you can text the following number: 07860021323. Start the Message with 'ASA1' to send anonymously.

Healthy choices

Please can you ensure that your child does not bring in any fizzy canned or bottled drinks, any energy drinks into the academy, Neither of these types of drinks are allowed in the academy. We are particularly concerned about the latest craze of buying 'Prime drinks'. The drink has been designed in a way that is not suitable for young people in school.

Road safety

I continue to remain very worried about the students walking to school on the main Preston Road

Please can you ask your child, as they arrive at school in the morning to come straight into school and not wait at the gates, as we know the main road is exceptionally busy and we need to ensure students do not congregate there. As the days continue to grow darker please can I ask you to speak to your child about road safety and walking to and from school this link provides <https://capt.org.uk/csw-road-safety/> useful advice.

Any feedback on what other information you would like me to include in the weekly letter, please email the school hello@asa.hslt.academy.

Learning on the gate

Teachers on duty will continue to quiz students on key facts for their GCSE English course and GCSE maths. I have added the current questions at the end of the newsletter if you want to ask your child at home

Collective Worship w/c Monday April 24th

Please ask your students their thoughts and reflection on the collective worship which this week will be discussing:

Resurrection

The season of Easter lasts for 6 weeks from Easter Sunday and during this season Christians read the various resurrection appearances in the gospels. Key ones are At the tomb, The Upper Room, the Road to Emmaus, and Breakfast on the Beach. Look at the varied responses of the disciples. How can we relate to these encounters? Why is the resurrection of Jesus so important to Christians?

I have written lots more 'Postcards from the Principal' this week. Please check out the academy's Facebook page for the recipients. I am keen to continue celebrating the achievements of your children, our students outside of school.

Please email hello@asa.hslt.academy to nominate your child for a 'Postcard from the Principal' for achievements outside of school you would like to share.

'Tea with the Principal' continues every Friday at 2:30pm. Year Leaders from Y7, Y8, Y9 and Y10 are invited to nominate 2 students from their year group who have achieved above and beyond in an area of school life. This is a wonderful opportunity to talk to the students and also gain their views on how we can improve the school further. The students who achieve the invite are also celebrated on the academy's Facebook page.

Please check out the photos, the pride from the students beams through!

Lunch menus

Both parents and students have asked if within this weekly newsletter I can add the lunch menu for the week. I have added this week's menu. **This week is 'Week 4'**

Good News to share

Staff nominations:

From Mr Nichols:

Please could Mia in Y10 get some recognition. Mia shows incredible resilience. She is always taking her book home to complete any work missed, it is always completed to a really high standard too! I can't think of a student I have taught with more determination to succeed.

Random Act of Kindness

Thanks for the many nominations that were emailed through last week. Please continue to nominate members of staff who have made a difference to your child.

Please email the name and reason to randomactofkindness@asa.hslt.academy

ASA Parent Council

Thank you to the Parent Council who are organising the following community event at Archie:

- Saturday 1st July - Community Summer

Y10 GCSE support

We have widened the opportunity afforded to Y11 students to the Y10 students
GCSEPod has now been rolled out to all Y10s:

- GCSE Pod is an online revision tool
- Designed to make learning stick by watching revision Pods
- Check and challenge activities allow students to test their knowledge
- Website: www.gcsepod.com
- Email K.Stephenson@asa.hslt.academy for further guidance

Passport to the Prom

There were some parental concerns raised on social media about the attendance target of 95%, please can I make clear, as we did to the Y11 students and parents who attended the Passport to the Prom Evening in December. All genuine medical absences will be taken into account.

'Passport to the Prom'. Y11s must take responsibility for keeping their passport safe and it will be updated weekly in tutor time to allow them to track their progress.

The criteria for Prom is as follows:

- 95% Attendance between January and May 15th (date of 1st core GCSE exam)
- Minimum of 500 reward points
- 300 GCSE Pods viewed
- 50 breakfast or after school revision sessions attended (this works out to roughly 3 per week)

ASA staff are so supportive of the Y11 progress and are offering many opportunities. If your child is in Y11 please encourage their attendance

Breakfast revision 08:00am to 08.40am everyday.

We have started breakfast revision sessions for Y11 from 8am every morning. Y11 are welcome to come to school, have breakfast and complete independent work on their preparation for exams. This will be supervised by Y11 intervention staff who are on hand to support

Question	Answer	Notes
Work out 45.6×100	4560	Move the number two place value spaces to the left as it gets bigger. DO NOT MOVE THE DECIMAL POINT!
Simplify $6 \times 3a$	$18a$	6 lots of $3a$. The power isn't affected at all.
Work out -7×-4	28	When you multiply two negatives together the answer will be positive. DO NOT SAY 2 NEGATIVES MAKE A PLUS!
What is the reciprocal of 5?	$\frac{1}{5}$	To reciprocate is to "flip" the number and swap numerator and denominator around. Very important for divisions.
Work out 1% of £650	£6.50	Sharing £650 into 100 equal parts so divide by 100.
What is the Highest Common Factor of 12 and 20	4	The largest number that 12 and 20 are divisible by.
Area of a triangle is..	$\frac{b \times h}{2}$	Multiply the base and (perpendicular) height then divide by 2.
Work out $\frac{2}{3}$ of 24	16	Divide by the denominator then multiply by the numerator.
What is the 8th square number?	64	$8^2 = 8 \times 8 = 64$
Round 53.78 to 1 significant figure.	50	Round to the digit that has the greatest value. (50 3 0.7 0.08)

Question	Answer	Notes
What is the reciprocal of 5?	$\frac{1}{5}$	To reciprocate is to “flip” the number and swap numerator and denominator around. Very important for divisions.
Estimate the value of $\sqrt{2400}$	50	$\sqrt{2500} = 50$. Choose a suitable value to square root easily. EXTENSION: Why is this an overestimate? (Because we rounded 2400 up to 2500).
What is the nth term for: 4, 7, 10, 13...	$T = 3n + 1$	This is an arithmetic sequence so look for the regular gap between each term.
Work out 2^{-3}	$\frac{1}{8}$	Remember that the negative index gives the reciprocal of 2^3
Finish the circle theorem: Opposite angles in a cyclic quadrilateral...	Add up to 180 degrees.	Don't forget that there are 6 other theorems to remember.
Simplify $\sqrt{75}$	$5\sqrt{3}$	Remember to look for your square numbers. $\sqrt{25} \times 3$.
In a histogram, what do we label the y-axis?	Frequency density	To find the frequency density you do frequency \div class width. Because the bars can be uneven in width we need to use the frequency density.
What conversion do you use to change m^3 to cm^3 ?	$\times 1\,000\,000$	Remember that $1m^3 = 100cm \times 100cm \times 100cm$ so $1m^3 = 1\,000\,000cm^3$
What is the sine rule?	$\frac{a}{\sin A} = \frac{b}{\sin B} = \frac{c}{\sin C}$	Remember that it can be written the other way round as well, depending on finding an angle or side length.
What is the quadratic formula?	$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$	Don't forget that the \pm symbol leads to 2 equations so possibly 2 solutions.

A Christmas Carol

Full quotation	Trigger word/phrase	Who said it?	Meaning/theme/message
'tight-fisted hand at the grind-stone...'	grind-stone	narrator	Scrooge presented as uncharitable/ a miser/ unwilling to share his wealth (may also mention his lack of Christian values)
'Hard and sharp as flint'	sharp	narrator	Scrooge's misanthropic character/ his cruelty (but also a 'spark' of goodness)
'As solitary as an oyster'	oyster	narrator	Scrooge closes himself off from society; he isolates himself (could also mention that oysters contain pearls, symbolising a hidden ability to be kind/good)
"As good as gold," said Bob, "and better".	gold	Bob Cratchit	Gold isn't something to cherish, relationships with people are. May also mention that Scrooge worships the 'golden idol' of money.
'decrease the surplus population'	population	Scrooge	Scrooge's ideas about the poor - Links to Thomas Malthus
'Tell me how I may sponge away the writing on this stone!'	sponge	Scrooge	Scrooge wants to make changes to his actions. Theme of redemption.
'I'll raise your salary, and endeavour to assist your struggling family'	Salary	Scrooge	Scrooge's change in character, his new willingness to spend money.
'I wear the chains I forged in life'	chains	Marley	Marley wears his sins - his chains are symbolic of his greed
"Mankind was my business"	mankind	Marley	Marley has learned his lesson - he should have cared about people/relationships, not monetary gain
'Another idol has displaced me...a golden one'	Idol	Belle	Belle feels ignored and that Scrooge's one true love is money.
'God bless us, every one'	Bless	Tiny Tim	Tiny Tim values family and community; he is grateful despite his disability and poverty.
'He [Fezziwig] has the power to render us happy or unhappy; to make our service light or burdensome'	Render	Scrooge	Mr Fezziwig is a foil of Scrooge. He sees that his business is mankind. Irony.
'Bah, humbug!'	Humbug	Scrooge	Scrooge initially rejects the Christian values associated with Christmas; he isolates himself.

Reporting a Concern

If you have a concern about a student or anyone else in our school community please report it. Mrs Holmes-Carne is the Designated Safeguarding Lead and Mrs Drinkall are our Deputy Designated Safeguarding Leads. These colleagues are available by way of the main school telephone number on 01482 781912 or via their email:

Mrs Holmes-Carne: **s.holmes-carne@asa.hslt.academy**
