Dear Parents/Carers,

I am delighted to introduce myself as the new Principal of Archbishop Sentamu Academy. It is a real privilege to have been appointed to lead this wonderful school. Having worked at the Hope Sentamu Learning Trust for the past year, I feel I have built a strong relationship with students, staff, parents/carers and governors and understand what is needed to take the school forward.

Firstly, I would like to express my gratitude to Mrs Holmes-Carne for her leadership over this last year. I am excited to build on the excellent work that has already been done, and continue to drive improvement in the school for the benefit of our students.

My vision is to bring the highest standards of education to the young people in our local area and create a safe, supportive and stimulating environment in which all young people can thrive. I believe that every child has the potential to succeed, and it is our responsibility as educators to provide them with the opportunity and support they need to achieve their aspirations.

I am committed to the success of the school and will ensure all students receive the first rate education they deserve. I am determined that the school will build an excellent reputation and flourish at the heart of our community. I will ensure that high expectations and standards are embedded and maintained, and with your support and the dedication and commitment of the staff, we will provide an exceptional education for all.

I look forward to working in partnership with you, as parents and carers, to ensure that we are providing the best possible education for your children. I encourage open communication and welcome your feedback, so that we can work together to create a school that meets the needs of all our students.

Please feel free to contact me at any time if you have any questions or concerns.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Chris Reynolds'.
