## Quality of Education Update

### Independent Learning Zone (ILZ):

The ILZ is a new Trust wide initiative which we are really excited about. The initiative will allow students to work on independent tasks in all lessons to allow teachers to see what pupils can do on their own and really push students out of their comfort zone and elevate their learning which will have a positive impact on their outcomes.

The initiative has been shared with students and received well; students know that this will enable them to make progress and build resilience and determination by having a go at the hardest tasks on their own before teacher input. Students have

been told that the ILZ is to be undertaken in silence and will be completed in a purple pen so they can really concentrate on completing the task to the best of their ability. After the task students will be provided with support and feedback to ensure progress can be made and misconceptions addressed.

The ILZ will fit into the existing learning cycle of:

- Connect
- I Do
- We Do
- You Do

Please encourage your child to really embrace this challenge and show resilience in their lessons to ensure they are getting the most from this exciting initiative.

## Rainbow Flag Award

Archbishop Sentamu Academy is proud to be working towards the Rainbow Flag Award, in conjunction with Conerhouse, Hull and The Proud Trust.

This award recognises that the school is demonstrating a commitment to improve the lives of all young people that we work with, including those that are LGBT+, those from LGBT+ families, as well as the LGBT+ staff members that we have.

If you would like to be involved with obtaining the award, please contact Ms Hossack at:  
[s.hossack@asa.hslt.academy](mailto:s.hossack@asa.hslt.academy)

## Rewards

There will be exciting prizes for End of Term Attendance rewards.

100% attendance is the key to having a chance of achieving these fantastic prizes!

Reminder: Students have the opportunity to purchase products for the ASA Rewards Shop using their achievement points as a virtual currency.

Students can purchase items weekly and the items will be delivered within the following week. Please encourage your child to ask their tutor to purchase rewards on their behalf.

## Attendance

Attendance streaks will continue, and there will be double streak days on Friday. Students can convert their streak days into prizes.

There is a direct link between attendance and outcomes at the end of school. The more you attend the better your outcomes will be.

If for any reason your child is too ill for school it is incredibly important to update us in the morning. You can do this by ringing the school number and selecting the attendance option, or emailing the attendance team on:

## How to Get in Touch

Telephone: [01482 781912](tel:01482781912)

Email: [hello@asa.hslt.academy](mailto:hello@asa.hslt.academy)

Effective communications between home and school are of paramount importance to ensure that all students have the very best care and education possible. Therefore, in order to ensure these are as effective as possible, please can we politely remind parents/carers that they must phone reception to book meetings with staff. Please do not turn up hoping to be seen immediately because, as I am sure you will understand, this is not always possible.

Thank you for your cooperation and understanding with this matter.
