Also, after the huge successes of our recent termly community events, the Parent Council are busy planning our next event:

The ASA Community Christmas Fair! This is on 12/12/24, so please save the date!

If you are interested in joining the Parent Council then please see [this link](#) for more information - we would love for you to join us!

ChatHealth

ChatHealth for Parents and Carers:

NHS Humber have launched a confidential text message advice service for parents and carers. The poster above shows how to access this advice service and the sorts of advice you can get from them.

ChatHealth for Young People:

Did you know that your 11-19 year olds can now send a text message to the 0-19 Health Visitor and School Nursing Team?

They can message for age-appropriate advice and support.

To start a chat with the 0-19 Team, they just send a message to [07312 263199](https://www.chathealth.nhs.uk).

So how does it work?

When they send a message, they will get a reply. A member of the team will text back between 9am-4.30pm Monday to Friday (not at weekends or bank holidays).

If you need urgent help, you should visit an NHS walk-in centre or call NHS 111. In an emergency, dial 999 or go to A&E.

For more information, go to:
www.chathealth.nhs.uk

Quality of Education

Independent Learning Zone (ILZ):

The ILZ is a new Trust wide initiative which we are really excited about and have been implementing this term. The initiative will allow students to work on independent tasks in all lessons to allow teachers to see what pupils can do on their own and really push students out of their comfort zone and elevate their learning which will have a positive impact on their outcomes.

The initiative has been shared with students and received well; students know that this will enable them to make progress and build resilience and determination by having a go at the hardest tasks on their own before teacher input. Students have

been told that the ILZ is to be undertaken in silence so they can really concentrate on completing the task to the best of their ability. After the task students will be provided with support and feedback to ensure progress can be made and misconceptions addressed.

The ILZ will fit into the existing learning cycle of:

- Connect
- I Do
- We Do
- You Do

Please encourage your child to really embrace this challenge and show resilience in their lessons to ensure they are getting the most from this exciting initiative. The feedback from students has been overwhelmingly positive since their return in September.

How to Get in Touch

Telephone: [01482 781912](tel:01482781912)

Email: hello@asa.hslt.academy

Effective communications between home and school are of paramount importance to ensure that all students have the very best care and education possible. Therefore, in order to ensure these are as effective as possible, please can we politely remind parents/carers that they must phone reception to book meetings with staff. Please do not turn up hoping to be seen immediately

because, as I am sure you will understand, this is not always possible.

Thank you for your cooperation and understanding with this matter.
