Attendance

IMPORTANT UPDATE:

Please see [this link](#) for the new procedures for students who are too ill to remain at school during the school day.

There is a direct link between attendance and outcomes at the end of school. The more you attend the better your outcomes will be.

If, for any reason, your child is too ill for school it is incredibly important to update us in the morning. You can do this by ringing the school number and selecting the attendance option, or emailing the attendance team on:
asa.attendance@asa.hslt.academy

Personal Development

Please click on [this link](#) to access our website page that explains our ASA Enrichment Offer. A key part of our enrichment offer is our extended-enrichment clubs and activities timetable, which can be viewed [here](#).

Please encourage your children to attend as many of these clubs as they wish!

ASA provides FREE sanitary products to all young people within the academy. Wherever you see this box you can access products and will be treated with discretion and respect:

of products and this will be on a first come, first served basis.

PSHE:

This half term KS3 students are learning about keeping healthy and safe whilst KS4 students are focussing on their dreams, goals and career aspirations.

Students in Year 9 have option choices to make, Year 10 are learning about how to keep mentally and physically safe and well and those in Year 11 will be supported in looking at how to apply to colleges and apprenticeships post KS4:

Y7 - Healthy lifestyle choices

Y8 - Personal safety, first Aid and drug awareness

Y9 - Introduction to careers

Y10 - Staying safe and well

Y11 - Employability skills and the job market

Careers

Here is the [link](#) to the careers section of our website. Here you will find our careers programme and other important information that you might find useful. Please note: this is updated throughout the year.

Year 9 Options:

As your child progresses through Year 9, they are approaching an important milestone in their educational journey: choosing their subjects for

GCSEs or equivalent qualifications. We understand that this is a significant decision, and we want to ensure that both you and your child are fully informed and supported during this process.

In preparation for students selecting their options, each subject has created an overview outlining the skills developed, future pathways, and career opportunities associated with the subject. This information will be shared during their Careers session in tutor time.

Labour Market Information (LMI):

In short, LMI refers to any relevant information about the current state of the jobs market. This website '[Skills and Hull and East Yorkshire](#)' is a great source of information about LMI and the local jobs market, which includes growth areas and businesses in our region.

Y10 Work Experience:

Students need to keep looking for suitable placements and then fill in the appropriate forms. In an effort to go green, our preference is to use an app to complete these forms, however paper forms are also available from Mrs Lockham in the library. The deadline for placements to be submitted is April 14th 2025. For any support or questions, please contact Mrs Lockham on the Academy telephone number.

Parent Survey:

At ASA we aim to ensure that all pupils feel fully supported with moving towards the career path

that is right for them, whether it is Year 9 options, college, sixth form, an apprenticeship or training. We would like to extend that provision by offering further support to the parents/carers of our pupils. To begin this process we would like to invite all parents/carers to complete a very short survey regarding Careers Education, Information and Guidance (CEIAG), which will enable us to provide the best support for you: [Here is the survey link](#). This link is also available on our website.

Effective communications between home and school are of paramount importance to ensure that all students have the very best care and education possible. Therefore, in order to ensure these are as effective as possible, please can we politely remind parents/carers that they must phone reception to book meetings with staff. Please do not turn up hoping to be seen immediately because, as I am sure you will understand, this is not always possible.

Thank you for your cooperation and understanding with this matter.
