CONTACTING THE ACADEMY

The main port of call is always reception, who will then transfer you to the correct staff member.

Tutors will always be the first point of contact for day to day occurrences, for example: uniform, equipment, homework and other general enquiries.

Any major incidents or concerns you need to report will be directed to the House Team or Safeguarding Team by reception.

If there is an urgent need for contact, the academy may get in touch during the school day.

As staff call from within the school, numbers will usually appear as “withheld” unless they are calling from an office.
